Diary of a Kraut Man  
Sum 108 (re-krautification 2024)

Thank you, your Royal Highness, for changing your Name to Windsor in 1917. Now all that stuff is on you, and you alone. Good riddance indeed.

Thank you for being Avon Barksdale to our Stringer Bell. Have fun where you are going. You only have to do two days, remember: The day you go in, and the day you come out. When is that scheduled by the way?

No need to worry about us, Avon. We fessed up. Even to Omar and Brother Mouzone. We did our time and we are back behind the wheel. You are still in denial. The thing in your hand is not a steering wheel.

Also: Thank you, Britain, for finally doing something *against* the Nazis instead of, you know, providing them with capital, time to grow and appeasing the sh-t out of that bunch of f-cks just so you could justify a war against them and your chief rival economic powerhouse. Good call on inviting foreigners to the table. That worked out well for you. Oh, did it ever! All it would have taken was for

you to eliminate the Nazis and finally work together with Germany, but, fair enough, you had other plans.

And now you are broke. And isolated. And there is no war on the horizon with which you could pin the tail of guilt on a donkey. Did I mention broke? Stop being a bipolar [Suppen-Kasner](#), altering between "Nein, ich ess' meine Suppe nicht.", only to go on demanding more soup.

If you really want out, if you really want it, I will get the EU to agree to all your terms, if you beat Germany in a penalty shoot-out. You lose, you stay and agree to all EU terms. You get to use a goalie, Germany does not! How about that? You get to kick 11 times, Germany only 10. Still do not agree? Hm. OK. Final offer:

Beat the EU in a game of cricket, in a cricket test, in a test of cricket, is that like the SATs? Test cricket, beat an EU team in test, are the questions hard? Who asks? Sorry. Test cricket it is. Deal? And for dessert: Britannia and Europa! Pay-per-view lez action! Six achy love holes! Who will do whom, and where, and how long and with what? Only 99.99! Order now.
