

*Ismay, dismay, abyss, tunnel
Ballock, bollock, rowlock, gunwale
Islington, and Isle of Wight
Housewife, verdict and indict*

*Dreadnought, naughty, hormone, rather
Lather, lather, bather, father
And, pray tell, which rhymes with enough
Though, through, bough, cough, hough, sough, tough?*

*Hiccough has the sound of World Cup
Goshdarnit brotherpuck...word up!
Lavigne, ravine, Glavine, glaven
Flavor flavour, hoyvinmayvin*

*Insults fit to throw a fit:
"You are shit" and "you ain't shit"
"You are not shit" - to console
"You are the shit" - up the pole*

*But to say you're not quite lit
Would be "You are not the shit"
Lowell, Sprewell, mushy, Sushi
Later Latrell, pushy, douchy*

*Execute, executive, bicycle, recycle
Hive, give, live, live, life, Gael, Michael
Looter, polluter, Lollapalooza
Who's your hoosier, boozier, bruiser?*
